## Book File Details:

*Review: Overall, this was a good book. I didnt give it a 5 rating because I thought it was a little uneven. At times, the writer totally believes the box is real but then he abruptly starts providing information later in the book to indicate it is a hoax. He never really reconciles the two opposing viewpoints, at least not to my satisfaction. Were the...*

*Description: A series of eerie events slowly unfolds when a wine cabinet sells at an estate sale in Oregon. It is soon sold and resold on eBays Internet auction, and each new owner becomes desperate to get rid of the box along with the health problems, accidents, or death they claim came with it. Jason Haxton, the curator of a medical museum in a small Missouri...*
